

C PAPER

EDITION NO.01
07MARCH 2017

EMPOWER YOUR MEETING!

CTOUCH proudly reveals the **new** meeting collaboration system Leddura 2Share & 2Meet.
Leddura 2Share-*An interactive sharing system for every meeting room*

Leddura 2Share was specially designed to share digital content wirelessly in meeting rooms. It also brings easy access to a digital white board and annotation functionality to make meeting collaboration as easy as can be.

Leddura 2Meet-*The complete collaborative meeting room solution.*

The new Leddura 2Meet makes business collaboration more engaging than ever. Based on Skype for Business/Microsoft Lync technology, it brings you the ideal tools for interactive and productive meetings.

The Leddura 2Share & 2Meet will be available in 65", 75" and 86" screen sizes formats by the end of Q2 2017.>> [read more](#) <<

Superheroes at Bett 2017!

CTOUCH was present at the Bett show in London, the biggest education exhibition in Europe. It is held annually and it gives you the opportunity to experiment with the latest technology, hear from inspirational figures and experts in the industry and meet your partners from far and wide (as in literally around the world).

Gregg Ringer, Head of Marketing, Medium UK commented:

"The BETT Show is always the education highlight of the year and this year certainly didn't disappoint! Our superhero theme and >> read more <<

The Digital Transformation Lab turned out to be a brilliant move!

The end year's event by Van Roey in Belgium, turned out to be a roaring success. The theme "Digital Transformation Lab" proved to be a successful, with top speakers like Ellen Petri & Lieven Scheire. By the end of the evening the participants were amazed and totally up-to-date about >> read more <<

CHECK OUT THE CTOUCH EDUCATION MOVIE!

Grant your students access to the interactive opportunities of contemporary learning methods using current and proven techniques.

Kindermann, an excellent partner

This year Kindermann was present at the ISE in Amsterdam and Didacta in Stuttgart where they inspired many visitors by telling them all about the future interactive solutions including the CTOUCH Laser air+ and the upcoming Leddura 2Meet.

During the CTOUCH Awards night we were proud to hand them the Award for **“Fastest Growing Distributor”** in order to show the appreciation and trust we have in this company and our partnership.

May we introduce to you...

Rowan Schoenmakers, Sales representative Benelux
It is my ambition to convince you that CTOUCH has clever possibilities which fit the requirements for the corporate segment perfectly.

<< [Find out more about Rowan](#)

Anthony van Oijen, Product marketing manager
What attracted me to CTOUCH is the growth and ambition this company stands for. A great and open-minded atmosphere where everyone is eager to improve.

UPDATE YOUR LASER AIR+ SOFTWARE

CTOUCH has added some improved features to the Laser air+ series software.

Some of the highlights:

You can change the wallpaper with your own preferred image

You can also use the German language

Added an option to make Android inaccessible

Added a short-cut to the service menu

Increased the responsiveness of the navigation bar

Fixed some bugs
