

Icecat Treats DR Holders to Complimentary Wakuli Starter Pack

Icecat, a leading provider of product information and syndication platform, is delighted to announce a special offer for its valued Depository Receipt (DR) holders .

To celebrate its recent investment in sustainable coffee brand Wakuli, Icecat is gifting a complimentary Wakuli Starter Pack to all Icecat DR holders on NPEX who own at least 100 DRs as of October 1st, 2024!

The Wakuli Starter Pack offers a curated selection of specialty coffee beans, allowing recipients to taste the rich flavors and aromas of the amazing coffee while supporting a worthy cause. This thoughtful gift serves as a token of appreciation for Icecat's valued Icecat DR holders and their continued support.

How to Receive Your Complimentary Wakuli Starter Pack

To qualify for the complimentary Wakuli Starter Pack, DR Holders must have at least 100 Icecat DRs on October 1st, 2024. NPEX will notify you by e-mail with further instructions.

About Wakuli

Wakuli is a social enterprise dedicated to empowering coffee farmers and promoting sustainable agriculture. By sourcing coffee beans directly from smallholder farmers, Wakuli ensures that these farmers receive fair compensation for their hard work. The company is committed to ethical sourcing, environmental protection, and improving the livelihoods of coffee farmers.

Wakuli is renowned for its exceptional specialty coffee, sourced directly from smallholder farmers who are committed to sustainable practices. By supporting Wakuli, Icecat aims to contribute to a more equitable and sustainable coffee industry.
